## WELCOME

**The green space and warm welcome of heartland New Zealand meets modern versatility in the state-of-the-art conference and exhibition centre at Claudelands.**

Claudelands Conference and Exhibition Centre is cleverly designed with an emphasis on proximity, style and with reference to the heritage of the area.

The purpose-built facility is designed to host 1,200 or more delegates on one

site with ease. With 11 breakout rooms, a range of social spaces and options for conferencing on any scale, Claudelands boasts unrivalled flexibility.

Claudelands' linked rooms and spaces allow configurations that can be expanded, reduced or used in combinations to suit.

Clients have the convenience of on-site audio visual services, ultra-fast fibre optics, quality catering and complimentary parking for delegates.

The conference centre is complemented by more than 10,000 square metres of integrated indoor and outdoor exhibition space and a 6,000-capacity auditorium, ideal for conference plenary sessions and larger seated banquets.

Set in 34 hectares of tranquil parkland, Claudelands is the premier venue for event professionals who seek quality in a location that offers a genuinely New Zealand experience.

## HAMILTON AND WAIKATO REGION, NEW ZEALAND

Bridging the mighty Waikato, New Zealand's longest river, Hamilton is New Zealand's fourth largest city and the hub of the Hamilton and Waikato region.

The Waikato is one of the most fertile and productive dairy-farming regions in the world and the engine room for the New Zealand economy. Well known for its agricultural industry, the region is home to leading government and private scientific research organisations trusted internationally for their innovation and advice.

Thoroughbred horse breeding is also strong within the region, as is a passion for sporting excellence in the fields of rugby, netball, cycling and rowing.

Hamilton is close to the other major centres of Auckland, Tauranga, Rotorua and Taupo and is located on the doorstep of popular attractions such as the world famous Waitomo Caves, Raglan's legendary surf breaks, Sanctuary Mountain (Maungatautari) and the renowned Hobbiton Movie Set.

## HAMILTON CITY

Hamilton is known for its superb espresso coffee, eateries and night-life. Its thriving south-end hospitality precinct is home to some of the nation's best cafes and restaurants, on the doorstep of the Waikato Museum and river walks.

Home to some of New Zealand's most celebrated stadia, arena and theatre facilities, Hamilton has a growing reputation as a world-class entertainment, sporting and convention destination.

The culturally-rich University of Waikato and Waikato Institute of Technology attract over 45,000 students from around New Zealand and the world and our Waikato Hospital is an international centre of excellence.

The central city, south-end hospitality, accommodation and more is just a 10 minute walk from the green spaces of Claudelands. There is also choice for leisure – from shopping and boutique galleries to a walk in the famous Hamilton Gardens.

## THE STORY OF CLAUDELANDS TE PAPANUI

**Claudeland is a Waikato landmark, an area rich with cultural and ecological history.**

Known as 'Te Papanui', the Claudelands area includes Jubilee Bush, the largest remnant of indigenous forest in the city, and a former native bird hunting ground for local Maori. Many of the design elements of Claudelands Conference and Exhibition Centre derive from the culture and heritage of Te Papanui.

The narrative of the forest canopy inspired the Arena Veil design, the principal facade of Claudelands. The structural columns remind us of the majestic trees that covered Te Papanui, and the 'dancing spears' recall the movement of the tao or hunting spears.

The flight of the native birds is reflected in Claudelands' distinctive exterior colours – rich kokako blue, bold kaka red, the flash of orange tieke feathers and the bright yellow hihi.

And because every experience begins with a warm welcome, conference centre visitors are greeted with the symbol of kahu huruhuru, or feathered cloak, upon entering the venue, as well as the basket weave design within the main conference spaces that celebrates the weaving together of people.

This is all part of the Claudelands experience, and what makes it unique.

## CONFENCING AT CLAUDELANDS

Claudlands Conference and Exhibition Centre's facilities help professional conference organisers create the optimum environment for delegates to listen, learn, observe and contribute.

# HEAPHY ROOMS

The state-of-the-art Heaphy Room is the main conference space. When used in its full configuration it can seat up to 900 delegates. Integrated audio visual facilities and easy

access to break-outs complement the Heaphy Room’s high quality and comfortable size. The room can also be divided into three separate spaces and is ideal for medium to

large conferences, exhibitions and gala dinners of up to 650 guests.

## AUDITORIUM

The acoustically-stunning auditorium, Claudelands Arena, is the ideal space to gather delegates for large seminars, meetings, conventions or conference plenary sessions between break-outs. Unique in Australasia, it has a C-shape design which creates a more

intimate atmosphere with large groups of up to 6,000.

With 2,200 square metres of scalable space, the auditorium is also suitable for exhibitions and conference banquets with up to

1,400 guests. Claudelands Arena is linked with and next to the conference and exhibition centre. It has theatre like acoustics and high quality technical services, including wireless internet and AV options.
